2. The petition has been examined by the Tamil Nadu Slum Clearance Board. On verification the Board has observed that the petitioners are encroachers on the land reserved for laying a road near the Parthasarathy Slum Scheme at Korukkupettai and that they cannot therefore claim the ownership of the land.

As the land is required for laying a road to the Parthasarathy Slum Clearance Scheme and as the scheme will only benefit them, the Chairman, Tamil Nadu Slum Clearance Board has reported that the petitioners should vacate the land.
